### INTERSHIP CERTIFICATE

This is to certify that Ms. Ewelina Jurkiewicz,  
born on **January 19, 1993**,  
residing at **Chemin de la Foret 6, Lucens, Switzerland**,  
is employed by **Nestlé System Technology Center**  
in the position of **R&D Master Intern for Immersive Technologies**,  
on a fixed-term contract from **September 1, 2024**, to the present date.

Her responsibilities include the following tasks:

- Reviewing 3D CAD models and optimizing 3D models, ensuring visual quality in terms of mechanical details and textures.
- Creating interactions in a virtual environment based on a user path defined in collaboration with the project manager and designers.
- Organizing consumer tests, analyzing results, and optimizing the user path in the VR environment.
- Importing machine models from 3D designs, designing the environment, creating user interactions with the machine (e.g., picking up a cup), and reviewing the final quality of the simulation.
- Programming VR experiences to provide users with interactive and realistic experiences.
